Program Brief

Seminar titled "Awareness on Data Science and AI" was conducted on 25th September at the CSE Seminar Hall from 10:10 AM to 12:30 PM, targeting all Fifth Semester students. The seminar, led by Ms Ambili Prasad from the AI & DS Department, attracted a total of 73 attendees. It provided a comprehensive introduction to Data Science and Artificial Intelligence (AI), covering fundamental concepts and practical applications. Notably, Ambili Prasad's expertise facilitated an interactive learning experience through hands-on demonstrations and discussions, ensuring active engagement throughout the two-hour session. Emphasizing the relevance of Data Science and AI in the job market, the seminar also offered valuable career insights and recommendations for skill development, equipping students with actionable steps for future career paths. Additionally, live feedback sessions were conducted, allowing attendees to provide immediate input and ensuring that their questions and concerns were addressed in real-time. Overall, the seminar successfully informed and engaged attendees while highlighting the significance of these fields in their academic and professional journeys.. Program was very helpful and highly informative.
