Department of Electrical and Electronics Engineering

VISION

To be a premier hub for producing Electrical and Electronics Engineering graduates trained of great scope, socially and professionally responsible to meet global challenges with cutting edge and innovative technologies.

MISSION

- To create center for knowledge transfer in the field of Electrical and Electronics Engineering.
- To emerge as a center of excellence in promoting industry and academic partnership.
- To instigate research activities for students and faculties to make them innovator designers and solution providers.
- To meet various demands of the nation in the field of Electrical and Electronics Engineering by providing intellectual problem-solving technologies with social and professional responsibilities.

ABOUT DEPARTMENT

Department of Electrical and Electronics Engineering was established in the year 2005 with UG program (B.Tech.) under University of Calicut with an intake of 60 students. In 2012 the department started its PG program with a specialization of Power Electronics and Drives with an intake of 18 students. In 2014, the strength of students increased to 24. From 2015 onwards both UG and PG programs are under Kerala Technological University. The department is driven by a team of highly motivated, dedicated and experienced teachers supported by a strong team of lab technicians. The department has excellent infrastructural facilities including smart class rooms and well equipped laboratories. As a part of an organisation which works for the centre of excellence, we continuously motivate our students to thrive and survive the challenges of this world's extreme competitions.

ILLUME-21

Electrical and Electronics Engineering Department were in the forefront to organize various events in the college during the academic year 2021-22.

The EEE department association, named IGMI, started its last academic year activities with an official inauguration by Mr. Aneesh Parakkadan Assistant Executive Engineer, KSEBL Transmission subdivision Malappuram, 14/12/2021 at College Main seminar Hall. In

ENGINEERS DAY

Department conducted an online Quiz competition to celebrate "Engineers Day" on 15 September 2021. Around 46 students participated and Mohammed Shibili UT (S8EEE), Murshid KP (S2EEE) won the First prize and Jinas Hindharali (S2EEE), Nabeela KP(S2 EEE) won the Second Prize and Fahim Ali TK(S8EEE), Muhammed K(S4EEE) won the third prize.

connection to that, a workshop on the topic "Development of Market for Electric Vehicles and E-cooking" was organized.

POWER QUIZ COMPETITION 2021

Department conducted a College Level Power Quiz Competition, in association with KSEB Officers Association, on 31 October 2021. 31 Students from various department of MEA Engineering college were participated

in the event. Nidha KM(S8 CSE) and Sujith Krishnan PK(S8 ECE) won the first prize.

PROTEGO-21

Department organized “PROTEGO – Power Energy conclave 2021” on 7th December 2021. Dr. Shiek Mohammed S, (Assistant professor of Electrical and Electronics Engineering department, TKM College of Engineering) and Dr. Faisal Rahiman P (Assistant Electrical Inspector, Department of Electrical Inspectorate, Malappuram) were the speakers.

FIESTA DE DESPEDIDA-22

Department organized a farewell “FIESTA DE DESPEDIDA” for the 2022

passed out students on 07th June 2022. On the same day Dr. Febina Beevi P (HOD-EEE) and Mr. Asif EP (Staff editor-IGNITE) unveiled the department newsletter “IGNITE” for the academic year 2020-21.
