MEA ENGINEERING COLLEGE
PERINTHALMANNA

DEPARTMENT OF CIVIL ENGINEERING

17th to 19th Aug 2020

**National Conference on
RECENT ADVANCEMENTS
IN CIVIL ENGINEERING
RESEARCH
(RACER '20)**

ABOUT THE INSTITUTE

MEA Engineering College, the first NAAC Accredited self-financing engineering college in Malappuram district, is committed to provide excellent and value based education with a flair for ethics and professionalism. The institution is ISO 9001:2015 certified, AICTE approved and affiliated to the APJ Abdul Kalam Technological University.

ABOUT THE DEPARTMENT

Since its inception in 2011, the Department of Civil Engineering has been thriving to achieve academic excellence by molding quality civil engineers with emphasis on comprehensive learning techniques. The Department has established state of the art experimental facilities and laboratories in different fields of Civil Engineering. The Department strongly believes in continuous efforts to strive for excellence by exploring new frontiers of knowledge, imparting the latest technical knowledge to the students and conducting high quality research.

VISION OF THE DEPARTMENT

- Emerge as an excellent center for Civil Engineering education by building up professionally competent Civil Engineers.

MISSION OF THE DEPARTMENT

- Develop professionally competent and socially committed Civil Engineers with ethical values, entrepreneurship and leadership qualities.
- To impart quality education by implementing state-of-the-art teaching-learning methods to enrich the academic competency, credibility and integrity of the students.
- Inspire and create interest towards learning the subjects and train diversified students to achieve academic excellence.
- Our code of conduct - safety first, work for quality, treat others kindly and earn respect.

ABOUT THE CONFERENCE

The conference aims to provide an opportunity for academicians, technologists, entrepreneurs, the engineering community and students to put forward their ideas and findings related to recent advances in the research areas of Civil Engineering. It is going to be a wonderful platform for the delegates to exchange their experiences with renowned plenary and featured speakers.
