# Program Brief

---

Department of computer science in Association with Technical Association for Cyber Streams (TACS) organized it's workshop series on "**App Development using Flutter**" on **26<sup>th</sup> May 2022** , **01<sup>st</sup> June 2022**, **08<sup>th</sup> June 2022**, **15<sup>th</sup> June 2022** and **22<sup>th</sup> June 2022** respectively. The session was handled by **Mr. Faris Basha T.M**, Second year student of Dept. of Computer Science & Engineering.

The objective of the workshop was to learn the basics of App Development using Flutter. Session conveyed Flutter ideas and concepts from the scratch in a very informative and interactive way of teaching by the speaker. The following sessions were planned and assignments were given for the participants for further learning. The session was very helpful and effective.
