Program Brief

"Resume Building Workshop" held on 11/08/2023 at 10:00 AM in the CSE Lab. Prof. Baiju B S, the PRO and Placement Officer, led the workshop, which drew the participation of 26 students from S5 CSE1. The workshop's objectives encompassed equipping students with essential resume-building skills, offering insights into industry-specific resume standards, helping tailor resumes to individual career goals, and addressing common resume writing errors. The agenda included sessions on the importance of well-crafted resumes, resume formatting, customization to industry demands, and error avoidance. Notably, Prof. Baiju B S stressed the pivotal role of resumes in securing job interviews and provided practical demonstrations. Post-workshop feedback was overwhelmingly positive, highlighting the workshop's informational value. Future actions include periodic career readiness workshops. In conclusion, the "Resume Building Workshop" was a resounding success, poised to enhance students' career prospects, and a testament to our commitment to their professional development. Program was very helpful and highly informative.
