Program Brief

Department of Information Technology in association with XORIT organized a webinar session on the topic Data Visualisation & Analytics Tools(DVAT) on 10th May 2020. The program was started at 10.30 and wended up at 1 PM. Mr. Midhun Mathew, CTO Gulf IT Innovations FZE,UAE handled the mentorship of the program.

Data Visualisation is the presentation of data in a pictorial or graphical format.It enables decision makers to see analytics presented visually,so they can grasp difficult concepts or identify new patterns.

The session started with an introduction about security system of network and continued with explanations and importance of it. Mentor talked about the security breaches and especially the penetration of attackers.Data Science and data analytics is an emerging technology nowadays. DVAT was introduced to participants along with the working and necessity of its usage then.Section started at 10.30 AM,due to the huge amount of registrations,We conducted the webinar in two sections- 10.30-11AM,12PM-1PM.We thank a lot for the coordination of our Resource Person. The session was really informative and provided awareness.

Coordinators

Staff Co-Ordinators:

1. Ms. Hanooja T , Assistant Professor, IT Department
2. Ms. Deepa M, Assistant Professor, IT Department

Student Co-Ordinators:

1. Salmanul Farisy,S6 IT
2. Ebrahim Badusha ,S6 I
3. Nadeer Muhammed,S2 IT

Profile of Chief Guest / Resource Person

Name of Guest / Resource Person	Mr. Midhun Mathew
Designation	CTO
Company Name	Gulf IT Innovations FZE
Location	UAE

Mr. Midhun Mathew

Mr. Midhun Mathew, CTO Gulf IT Innovations FZE UAE initially started with a company Cyboz at Perinthalmanna. He was an alumni of IT department. He passed out at 2014. During his studies itself, he is good at programming. After his BTech, along with his friends he started the company Cyboz at Perinthalmanna. It was a very success and they extended their business in Gulf countries.
