Event Report

Odoo Development Workshop

Venue: Seminar Hall, CSE.

Date: 7th January 2025

- Conducted By: **Dept. of Computer Science and Engineering**

Program Brief

The Odoo Development Workshop, organized by the Department of Computer Science and Engineering at MEA Engineering College in association with Prosevo Technologies, was a dedicated event exclusively for final-year students aimed at equipping them with practical knowledge of Odoo, an open-source ERP platform. The workshop featured a full-day session divided into interactive and hands-on components, beginning with an introduction to Odoo's architecture and functionality. Participants gained valuable insights into module creation, customization, and integration with other technologies, fostering a deeper understanding of ERP solutions.

Held in the CSE Seminar Hall, the session emphasized practical approaches to ERP implementation, enabling participants to explore real-world applications of their learning. The workshop also included Q&A sessions, providing attendees with the opportunity to clarify concepts and resolve technical queries. This initiative successfully bridged academic learning with industry practices, encouraging final-year students to delve into ERP systems and their potential impact. The event concluded with positive feedback from participants, reflecting the success of this collaborative effort by TACS and Prosevo Technologies in promoting industry-oriented education.

Coordinators

1. Mrs. Rajeena M – Staff Coordinator
2. Mr. Ashmal M – Student Coordinator
